

RV DOORS WITH SQUARED CORNERS

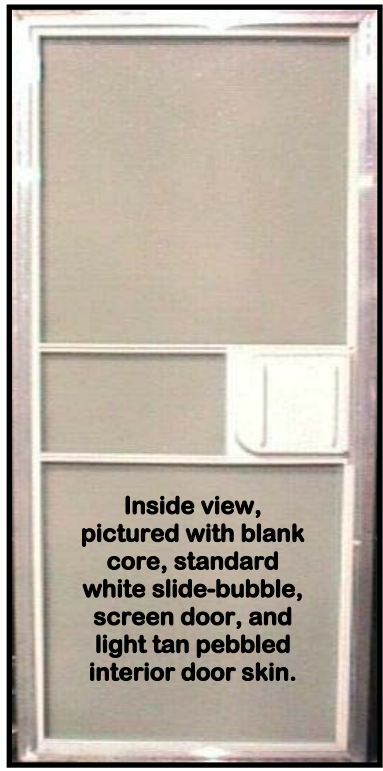

Doors

Outside view, right-hinged door pictured with optional window, knob lock, and mill frame.

Series 5050 Combination Door

* For travel trailers, motor-homes, or mobile homes. *Damage resistant fiberglass interior and exterior.
 *Precision one-piece aluminum frame is pre-squared and ready for installation.
 *Extruded hinges with stainless steel bushings and full-length hinge pin provide sturdy core to frame connection. Complies with DOT FMVSS 206 and CMVSS 206. *Extruded aluminum screen door frame is designed to withstand heavy use. *Large molded slide-bubble glides easily and gives ready access to lock area. *Patented "Bullet-Latch" secures the screen door to the primary door and frame.

Inside view, pictured with blank core, standard white slide-bubble, screen door, and light tan pebbled interior door skin.

Call Sizes Available:
 Width Options: 22", 24", 26", 28", 30", 32", 34", 36"
 Height Options: 68", 70", 72", 74", 76", 78", 80"

Standard Features:

*Right-Hand (hinges on right looking from outside). *White on White Core. *Full Size Mill Finish Screen Door. *Chrome Knob by Lever Lockset. *Mill Finish Frame with white slide bubble. Butyl tape and screws are not included. *Contact us for pricing or see our website at www.randgsupply.com*

Shipping Note: *RV Doors must ship by freight unless located within local delivery route area. Please contact us for an exact shipping and handling quote.

Note: The "call size" is the measurement of the stud-to-stud rough opening in the wall, and not the exact measurement of the door itself! For more help on how to measure for this door, please see page 3.
