

CUSTOM-MADE REPLACEMENT SCREENS

Windows

Made to your specific size (measured corner to corner, width by height).

***5/16" Thickness- Compatible with most exterior windows.**

***Sturdy 3/4" Wide Aluminum Frame with 3/4" Plastic Corners and Steel Spring Clips.**

***Frame Colors available in White, Mill (finished aluminum)**

Black Fiberglass Screen Cloth

All custom-made screens are special order and there are no returns.

Replacement Screen Prices are priced by United Inches (width added to height, each rounded up to the nearest inch).

Example: The actual screen measures 29.5" wide x 26.5" tall, corner to corner. 30" (rounded up from 29.5") + 27" (rounded up from 26.5") = 57 United Inches.

Please allow 1-2 weeks for shipping!
