

# HOME SAFETY

*Sniff 'n' Stop is a highly effective, all-natural, non-toxic method for repelling ants, mosquitoes, termites, silverfish, spiders, birds, bees, gnats, chiggers, ticks, snakes, rodents, marsupials and even ursines using natural essential oils time-released from a negatively charged polymer that confuses and panics natural intruders, leaving your guests-only area free of biting, stinging, itching and suffering the pains of waylaid plans! In short- it keeps pests away!*
