

# BATHTUBS WITH WHIRLPOOL JETS

We offer many of our bathtubs plumbed and whirlpool-ready!

(4 jets with 3/4 HP pump)

Any of our items on Pages 32- 37 whose **part numbers** end with the suffixes **"-WP"** or **"-WWP"** are designated as whirlpool tubs.

This picture illustrates the positioning of the jets and controls. Above tub style only available with 40" x 54" and 40" x 60" no-step garden tubs ▶

◀ **39100**- 3/4 HP Replacement Motor for Whirlpool Tub

You must specify if you want the whirlpool motor placed on the **LEFT** or **RIGHT** side!

Plumbing

## PERMALUX™ TUBS, SHOWER PANS AND SURROUNDS

Permalux™ Polymer Alloy is a high gloss/ high impact acrylic finish, hard as a rock and stain resistant, no chipping, peeling or spider webs!

**Comes with a 5 Year Warranty!**

\*All Permalux Tubs and Shower Pans are also heavy gauge in thickness! (Permalux only available in white.)

Any of our items on Pages 32- 37 with **part numbers** ending with the suffixes **"-PX"**, **"-LPX"**, **"-RPX"** or **"-WPX"** are designated as Permalux items.

This is the best picture we could find to show you the beautiful, shiny, other-worldly finish of Permalux.

## PERMALUX PLUS™ TUBS AND SHOWER PANS

◀ Permalux Plus™ is a rigid, high impact 2-part composite material applied to the underside of the tub to give it a smooth backing for easier handling and installation, and a longer life! The composite material is yellowish in color, but you won't see it after it's installed.

\*All Permalux Plus Tubs and Shower Pans are also heavy gauge in thickness! (Permalux Plus available in white or almond.)

Permalux Plus tubs are only available in 27" x 54" left or right drain Standard Tubs (Page 32), 40" x 54" and 40" x 60" Outside Step Garden Tubs or 42" x 60" No-Step Garden Tubs (Page 34). Any items with **part numbers** ending with the suffixes **"-PXP"** or **"-APXP"** are designated as Permalux Plus items.

**Comes with a 5 Year Warranty!** Permalux Plus™ tubs are also reinforced at the apron with a gusset on each side. ▶  
These are really sturdy tubs!

For drains and plumbing, see page 42.  
For caulks and sealants see page 77.
