

ARTIFICIAL ROCK SKIRTING

***Beautifully designed for enduring curb appeal- Authentic look- Compliments all home styles- Made in the USA - 5 Year Limited Warranty- Choose from three realistic colors.**

Mason Rock Panels

*ABS Plastic composition. Pretrimmed for a "seamless" look. Cut with tin snips, carpet knife, or fine tooth saw blade for elevation. Requires ventilation. Easy to bend around corners using heat gun or torch, or corner pieces can be used to cap two panels merging. Bracing should be installed behind panels over 48" tall. Screws must be used to attach panels where overlapped. Insulation may be added in colder climates.

Slate Grey

**49150- 32" x 60" 49151- 36" x 60"
49152- 48" x 60"**

◀ 49155- Rock Access Door

***30" Wide x 22.75" Tall- features a 23.5" wide x 17.75" tall keyed access door for positioning at water cut-offs and receptacles under the home. Black but paintable. Comes with two keys. Cut a hole in one of your rock panels measuring 27.5" wide x 21" tall and glue or screw door onto panel!**

Exterior Refurb

Sedona Brown

**49160- 32" x 60" 49161- 36" x 60"
49162- 48" x 60"**

◀ 49054 Universal Manual Vent Insert- Black

Vent inserts measure 16 7/8" wide x 9 1/2" tall. Fitted with screen. Inserts over a pre-cut hole in a panel of 15 1/4" wide x 8" tall. We recommend using at least one vent every 10-15'.
